

LETTER OF APPRECIATION

To Whom It May Concern,

My name is Kauhar Ishenkadyrova, and I am the founder and head of the international project Hope.teen.kgz, implemented in collaboration with the Meyir Zhan Foundation. It is with great pleasure that I express my sincere gratitude to **Batyrkhan Madeny** for his outstanding contribution to our initiative, and I am honored to provide him with my highest recommendation.

Batyrkhan joined our project on **December 20, 2024**, and over the course of four months, he dedicated himself to volunteer work, supporting children from low-income families and children with special needs. His responsibilities included teaching **English**, helping organize lessons, and actively participating in all project activities, always creating a warm and inclusive environment for our beneficiaries.

From the very first days, it was clear that **Batyrkhan** is a person with a big heart, a genuine concern for children, and a deep sense of responsibility. He did not simply teach – he inspired. He gave children confidence in themselves and helped expand their horizons. His patience, kindness, and professionalism allowed him to build strong relationships with his students, and his creativity made lessons both engaging and effective.

Most importantly, **Batyrkhan** proved himself to be a natural leader and a proactive team member. He was never afraid to take initiative, regularly offered valuable ideas for improving the educational process, and constantly supported fellow volunteers. His enthusiasm was contagious, and his commitment to excellence uplifted the entire team.

I am confident that **Batyrkhan Madeny** is a young person with exceptional potential who will continue to achieve great things and contribute positively to any community or organization he joins. His hard work, compassion, and dedication make him a valuable asset to any team.

Without hesitation, I highly recommend **Batyrkhan** for future opportunities, projects, or programs. I would be happy to provide any additional information if needed.

Sincerely,
Kauhar Ishenkadyrova
